

Register for our 2 Day in Person Taking Action Against Elder Abuse Training in Edmonton, AB

This is free training offered to service providers working with older adults

The Taking Action curriculum provides a common understanding of elder abuse and promotes a cross-sectoral approach to developing a shared understanding and learning amongst multiple, blended stakeholder groups. **The target audience** for Taking Action includes all front-line staff who in the scope of their work, interact with older adults and victims of elder abuse and family violence.

Unit One: The Unique Nature of Elder Abuse

Unit Two: Recognizing Elder Abuse - An exploration of the risk factors and indicators of elder abuse.

Unit Three: Referring Victims of Elder Abuse - An identification of strategies for referring victims of elder abuse to the resources that can support them.

Unit Four: Responding to Incidences of Elder Abuse - an approach that provides all front-line staff with a basis for responding to incidences of elder abuse.

Unit Five: Reconnecting with Victims of Elder Abuse -the importance of following up with victims of elder abuse.

Unit Six: Self Care - A discussion of the stresses related to addressing the issue of elder abuse
